

Marketing For Profit (MFP) Program

This is the **PREFERRED** program within Van Ahn and Company, Inc. In this program we help producers establish and implement a complete plan. From the crop inputs to the finished product we cover it all including land values, energy prices, fertilizer, futures, options, basis, carries, LDP's and storage.

The key to the program is **PERSONALIZED SERVICE** from an experienced marketing specialist. We assist producers in developing a plan specific to each operation and help clients implement it. This is not just a one-time communication! This is continued communication throughout the year.

Other features include:

- Cash grain marketing advice
- Marketing Newsletter e-mailed 12+ times per year
- Daily VACO Bull & Bear Report e-mailed each morning
- Daily VACO Closes and Comments
- Access to our phone app which has market news, quotes, and weather features
- Access to our website
- Personalized Position Report
- Urgent AMI voice recorded messages sent within minutes of recording.
- Reduced commissions

The cost of this program is \$960 per year (only \$80 per month)! Payment can be received by check (Made payable to Van Ahn & Company) or credit card. This will be an investment that will put you in control of your marketing. Too often the market is in control of you.
