

Total News Package (TNP) Program

If you are a producer and you need the hard-hitting information that will assist you in your grain and livestock marketing, then this is the program for you. Since 1987 we have worked hard to get highly useful information distributed to clients in a timely manner. Between our daily updates and monthly newsletters, producers will keep up to date with the information that impacts them.

Featured Products and Services:

- Marketing Newsletter e-mailed 12+ times per year
- Daily VACO Bull & Bear Report e-mailed each morning
- Daily VACO Closes & Comments
- Access to our website
- Access to our phone app which has market news, quotes, and weather features
- Urgent AMI voice recorded messages: sent to all TNP clients within minutes of recording.
- Reduced Commission Rates

The cost of this program is \$420 per year (only \$35 per month)! Payment can be received by check (Made payable to Van Ahn & Company) or credit card.

If you are looking for a strong market news program, this TNP program is the one for you. However, if you are looking for an in-depth program that focuses on the details of your marketing with personalized service, you should consider an upgrade to our Marketing For Profit program.
